

ClassCharts

What is ClassCharts?

Ever wondered how many house points, DBLs you have or what your attendance is?

Now you can know!

ClassCharts allows you to keep track of your achievements and behaviour, choose rewards from the Reward store, check your attendance, and view announcements from your school.

ClassCharts for students can be accessed via our website, or by our iOS and Android apps.

You can access the student website and links to the student apps at:

Reward Store

Selecting this tab will present you with the rewards that are available and how many points they cost.

The 'Balance' number shows how many points you have available to use.

To select a reward simply click on the 'Purchase' button below a reward.

If you have enough points, the amount will be taken away from your balance and the reward will be successfully purchased.

You will then collect this reward from Reception or it will be given to you in tutor time.

Please can all students now download the app!

- Your teacher will provide you with the access code.
- Once done your login is your email and password.
