Dear Parent/Carer

## **Tassomai – online learning**

I am writing to you to inform you of an exciting new home learning platform that we have purchased for every Year 10 student at Biddenham to access. The Tassomai programme is proven to help improve progress and aid revision in English, Maths and Science.

Tassomai is an online learning platform that can be accessed on a chromebook/computer and on a phone or tablet via the Tassomai app. Students complete short, regular quizzes based on a variety of topics. The program then uses a formula that analyses the answers the pupil gives, what they know, what they do not know and what they are yet to learn. Every time your child uses Tassomai it understands their needs more and designs the future tasks that they do specifically for them, therefore creating a uniquely personal learning experience. Regular use of the program, even for just a few minutes a day, is proven to improve students overall grades.

Most students have been setting up their accounts during tutor sessions this week but if they are yet to do so they can. To set up their account for Tassomai, students will need to follow the steps below.

Visit [app.tassomai.com/signup](http://app.tassomai.com/signup)

Enter the schools unique code which is **QE5A00ZS**

Enter their details: they will need to use their school email address.

We are really excited to be able to offer this program to our Year 10 students and look forward to seeing the progress they make. If you would like any further information on the Tassomai program please visit [Tassomai.com](http://Tassomai.com) or contact me at [george.foy@biddenham.beds.sch.uk](mailto:george.foy@biddenham.beds.sch.uk)

Yours sincerely
