Dear Parents and Carers,

It doesn't seem possible that we are already close to the end of the first half term, but here we are! School feels full and busy again, as it should be, and students have been showing excellent attitudes to learning and the range of extra-curricular opportunities available. Thank you for your support in ensuring that students are equipped and supported to do their best and make the most of their time in school.

Health and Safety

Given the continued high rate of Covid-19 infections in school, we want to take this opportunity to remind everyone of the safety measures that need to remain in place in order to protect our school community. The updated government guidance requires schools to keep some safety measures in place including good hygiene, appropriate cleaning, good ventilation and the importance of following public health guidance on testing, self-isolation and managing confirmed cases of Covid-19.

- **Please make sure your child brings a face covering to school.** Last year we had a very good track record at keeping students in school, due to our safety measures and we wish to continue this way. Therefore students and staff should bring masks to school to wear in corridors, more confined spaces and in close contact situations, such as queuing for food. Also, if in a class situation where a member of staff requests the wearing of a mask, this could be for health reasons or protecting a vulnerable family member. The same goes for students who may wish to continue to wear masks for similar reasons. If you need any support with this please contact enquires@biddenham.beds.sch.uk.
- At Biddenham we have continued to organise the school site into 'zones' with each year group having a designated social space.
- Break and lunchtimes are outside, except in very wet weather. As the weather gets colder it is important to bring coats to school and take up the option of a school jumper.
- We have continued with one way systems to minimise congestion in corridors.
- We have continued to have slightly staggered starts, breaks and lunchtimes, again to avoid congestion.
- Our sanitising and cleaning routines have remained in place.

Travel to school

We encourage all students to walk or cycle to school if at all possible as this is the healthiest option. Should students need to travel by public transport they will need to follow the government guidance about wearing face masks. We ask that if a parent or carer is bringing their child to school they remain in their cars and use the drop off/pick up points marked. **Any visits to the school should be made by appointment only**, to minimise the number of people that we have on site.

Attendance

Attendance has been compulsory again since September, as the government expects all students to attend school. The usual rules apply, meaning we are recording attendance and following up on any absences.

Uniform

Students are expected in full school uniform from September, (sixth form stay in non-uniform). Students will also need a Biddenham branded PE kit to change into for PE lessons. Details are available on the school website and a link can be found [here](#). Our basic school uniform items of plain black full length trousers, plain black skirt, plain white shirt/blouse, black or navy blue shalwar kamiz/jalbaab can be purchased relatively cheaply from any high street or supermarket clothes retailer; however, if you are experiencing any difficulty, please contact enquiries@biddenham.beds.sch.uk or call 01234 342521 and we will assist where we can.
