

Dance -Within Her Eyes

Actions from the video

- 1. The male dancer holds the female dancer on his front knee whilst keeping his legs in a lunge position, the female has her legs wrapped around his leg and is facing diagonally upward with her arms up in a line.**
- 2. The male dancer is holding the female dancer towards the sky as she is bending backward with her legs facing the floor and her head parallel to the sky.**
- 3. The male dancer holds the female dancer on his back with their backs facing each other as she creates the splits and slowly moves down.**

Spatial elements from the video

- 1. The male dancer holds the female dancer sitting on his arm vertically whilst he moves in an anti-clockwise direction.**
- 2. The female dancer holds the male dancer's arm and leg whilst moving around him horizontally doing the splits in a clockwise direction.**
- 3. The male dancer holds the female dancer high in the air and moves in a clockwise direction.**

Dynamics from the video

- 1. The female dancer moves around the male dancer using big hand movements.**
- 2. The male dancer moves slowly in an anti-clockwise direction.**
- 3. The female dancer vertically moves round the male dancer slowly using slow hand movements to move around him.**

Relationships from the video

1. Both the dancers are in unison doing the same action back to back with the female dancer in the air being held by the male and the male dancer doing the same action on the ground.
2. The female dancer wraps her legs around the male dancer's leg and completes her movement with a complimentary gesture by the male dancer.
3. The two dancers are both in unison doing the same action and wrapping their arms around each other.
