International School & Sports College

Principal: Mr David Bailey

Head of School: Ms Eleanor Grylls

July 2022

Dear Students,

Re: GCSE Exam results day - Thursday 25th August

After a long exam series, our attention now turns to the excitement of GCSE results day. School will be open from 8.30am - 12:30pm on the 25th August for students to come and collect their results from the 6th form building (N block). We ask that if a student or parent collecting results show symptoms of COVID-19 they should not attend school and should stay at home in accordance with [government guidelines](#). If you are unable to attend for any reason an electronic version will be emailed to the students school email address after 1pm, a paper copy will also be posted out to the home address that we have on record for you.

On the day students should come directly to N block to collect their results where members of staff will direct them. To support us with the distribution of results, please ensure your child knows their four-digit exam number. Once students have collected and read their results they must speak to a member of staff before leaving to ensure we have their post 16 destinations (6th form, college, apprenticeship) logged correctly. Any students that require support with their destinations will be able to book an appointment during the day with our 6th form team.

We are asking all students to return their chromebook, chargers and bags on results day to allow us to refurbish them ready for new students in September. We also ask that you bring in any textbooks/revision guides you may have so we can pass these back to the relevant departments. On the day we will also be collecting any unwanted items of old school uniform that could be reused for future students, please bring in as much as you can as it could be of immense help to many of our families.

If you have any questions regarding the results day, please do not hesitate to email me on George.Foy@Biddenham.beds.sch.uk Given the disruption caused by the pandemic, even though it seems like a long time ago now, this year more than ever we look forward to welcoming students and parents/carers to results day.

Kind regards

MR G FOY
