

KS3 Geography Homework Timetable - Autumn Term

Year 8

Note: some classes may be one week behind due to training days or bank holidays hitting their normal timetabled lesson. This is just a rough guide to give you an idea of what to expect and when.

Week Beginning	Tasks	Time to Complete
12/09/22	Create a storyboard to show the journey of a raindrop (water cycle). Worksheets will be on the geography google classroom.	1 week.
03/10/22	Exam style question on the formation of waterfalls. Guidance will be on the geography google classroom.	1 week.
10/10/22	Mini coursework. Students will make a rain gauge in class. They will need to measure the rainfall each day for 1 week, and then use the results to create a graph, and write an analysis of them. Guidance will be on the geography google classroom.	2 weeks.
31/10/22	Practice spellings for a spelling test. Spellings will be on the geography google classroom.	1 week.
