

Biddenham

International School & Sports College

Principal: Mr David Bailey

Head of School: Ms Eleanor Grylls

20th July 2023

Dear Parents and Carers,

Re: End of Summer Term and Information for September 2023

We have had such a busy summer term this year packed full of engaging learning experiences both inside and outside the classroom. Our [Biddenham Bulletin](#) goes some way in giving a flavour of the range of extra-curricular opportunities, trips and visits that our students have participated in. Over the last few weeks we have had transition days for our new year 7s and 12s, Year 11 and 13 Leavers' assemblies and proms, a fun packed Day of Sport and celebration assemblies for all year groups. We are immensely pleased with the progress that students have made and hope that they and you are proud of their achievements. We also wanted to write to you with some reminders and details about the start of term for Year 13 in September.

The first day back

The first day back at school for year 13 is **Thursday 7th September**. Students should go directly to their **tutor bases at 7.55am**. Please see the end of the letter for details about tutor group bases and this [link](#) for timings of the school day.

Travel to school

We promote healthy lifestyles and encourage students to walk or cycle to school. Please remind students to cycle carefully, wear reflective clothing and a cycle helmet. For safety tips follow this [link](#). If you bring a child to school by car please drive carefully and use the drop off/pick up points marked on the drive.

Attendance

Attendance at school is compulsory. There is strong evidence that tells us students who attend school regularly achieve better. Your support in ensuring students attend school is vital.

Cashless system (ParentPay)

All of our food outlets will be open fully in the new term and we will be continuing with our cashless system for food and all other school purchases including trips and visits. You will have already received information about our new cashless system for payments. If you have not already set up an account or will be new to the school in September you will receive your unique ParentPay Account activation letters shortly. If you would like to know more about this service please click on the Parentpay tab on our website <https://www.biddenham.beds.sch.uk/>

If you have any queries please contact us on parentpay@mybiddenham.com

Family support over summer

- [Free school meals vouchers](#). Bedford Borough Council are providing vouchers over the summer for all families eligible for income related free school meals. Voucher codes are sent directly by email to eligible families.
- [Holiday Activities and Food \(HAF\) programme](#). Eligible families should have received an E-voucher by email that can be used to book into a variety of activities over the summer holiday.
- A number of companies are doing free or very reasonable meals for children over the summer break. There is a link [here](#) to the full list of companies.
- In need of well-being support please see our [school website](#) or email help@biddenham.beds.such.uk

Student wellbeing

Summer holidays can be difficult for some young people. This is often due to a change of routine/structure, a change in social interactions and less cognitive stimulation. A range of summer self care activities are recommended here by our colleagues at [Anna Freud National Centre for Children and Families](#), [Shout](#) and more locally Bedford Borough Council have produced '[How you feel matters](#)'

Results Days

Year 11 and Year 12/13 results days will take place in school. A Level/Level 3 results day is Thursday 17th August and GCSE/Level 2 results day is Thursday 24th August. Further details will be shared directly with students and parents.

The use of chromebooks and google classrooms has continued to be a great asset this year in facilitating in school and home learning. Summer holiday projects and study/revision resources for Key Stage 5 will be shared on google classrooms to support students in staying focused and making a strong start with the next year of their A Level/Level 3 studies. Also, remember that as parents you can get subject and homework information through google classroom updates and track attendance and behaviour through signing up to classcharts. Here is a [link](#) to the website for more information.

Finally, we are really excited to open our new ICT & Computing block, a new food outlet and the extension to our canteen; excellent new facilities for our expanding school. In preparation for next year, here is a [link](#) to the UCAS timeline. We are always keen for our students to develop themselves as individuals inside and outside of the classroom and encourage every student to make the most of the opportunities that are available to them, either by contributing to school life or accessing webinars and visits to help prepare themselves for life beyond sixth form.

We are, as ever, extremely grateful for all the support we receive from our school community and are incredibly proud of our students and staff. We hope that you will have some time to relax and unwind with loved ones, over the summer break. See you in September!

Warm regards,

Mr D Bailey
Principal

Ms E Grylls
Head of School

Sixth Form

Head of 6th form: Mr E Evans

Asst HoY: Mrs K Saggu
Asst HoYs: Mr A Shakoor
Asst HoYs: Mr A Smith

Assembly day: **Monday**
