

20th July 2023

Dear Parents and Carers,

# Re: End of Summer Term and Information for September 2023

We have had such a busy summer term this year packed full of engaging learning experiences both inside and outside the classroom. Our <u>Biddenham Bulletin</u> goes some way in giving a flavour of the range of extracurricular opportunities, trips and visits that our students have participated in. Over the last few weeks we have had transition days for our new year 7s and 12s, Year 11 and 13 Leavers' assemblies and proms, a fun packed Day of Sport and celebration assemblies for all year groups. We are immensely pleased with the progress that students have made and hope that they and you are proud of their achievements. We also wanted to write to you with some reminders and details about the start of term for Year 9 in September.

### The first day back

The first day back at school for year 9 is **Thursday 7th September**. Students should go directly to their **tutor bases at 8.00am**. Please see the end of the letter for details about tutor group bases and this <u>link</u> for timings of the school day.

### Travel to school

We promote healthy lifestyles and encourage students to walk or cycle to school. Please remind students to cycle carefully, wear reflective clothing and a cycle helmet. For safety tips follow this <u>link</u>. If you bring a child to school by car please drive carefully and use the drop off/pick up points marked on the drive.

### Attendance

Attendance at school is compulsory. There is strong evidence that tells us students who attend school regularly achieve better. Your support in ensuring students attend school is vital.

### Cashless system (ParentPay)

All of our food outlets will be open fully in the new term and we will be continuing with our cashless system for food and all other school purchases including trips and visits. You will have already received information about our new cashless system for payments. If you have not already set up an account or will be new to the school in September you will receive your **u**nique ParentPay Account activation letters shortly. If you would like to know more about this service please click on the Parentpay tab on our website https://www.biddenham.beds.sch.uk/

If you have any queries please contact us on parentpay@mybiddenham.com

### Uniform

All students are expected to wear full school uniform as shown on this <u>link</u>. <u>Uniform</u> can be purchased online <u>www.swischoolwear.co.uk</u>. If you require preloved uniform items please contact <u>enquiries@biddenham.beds.such.uk</u> and we will be happy to help. Our basic school uniform items of plain black full length trousers, plain black skirt, plain white shirt/blouse, black or navy blue shalwar kamiz/jalbaab can be purchased relatively cheaply from any high street or supermarket clothes retailer.

If students have <u>Dance on their timetable</u>, then on those days they should attend school in PE kit.

## Equipment

In order to prepare for the new term, the following is a list of suggested equipment:

It is very important that you have the following equipment with you while at school.

Marian Dissanahi

#### Family support over summer

- <u>Free school meals vouchers</u>. Bedford Borough Council are providing vouchers over the summer for all families eligible for income related free school meals. Voucher codes are sent directly by email to eligible families.
- <u>Holiday Activities and Food (HAF) programme.</u> Eligible families should have received an E-voucher by email that can be used to book into a variety of activities over the summer holiday.
- A number of companies are doing free or very reasonable meals for children over the summer break. There is a link <u>here</u> to the full list of companies.
- In need of well-being support please see our <u>school website</u> or email <u>help@biddenham.beds.such.uk</u>

### Student wellbeing

Summer holidays can be difficult for some young people. This is often due to a change of routine/structure, a change in social interactions and less cognitive stimulation. A range of summer self care activities are recommended here by our colleagues at <u>Anna Freud National Centre for Children and Families</u>, <u>Shout</u> and more locally Bedford Borough Council have produced <u>'How you feel matters'</u>

The use of chromebooks and google classrooms has continued to be a great asset this year in facilitating in school and home learning. Summer holiday projects and study/revision resources for Key Stage 4 will be

shared on google classrooms to support students in staying focused and being prepared for starting their GCSE courses in October. Also, remember that as parents you can get subject and homework information through google classroom updates and track attendance and behaviour through signing up to classcharts. Here is a link to the website for more information.

Finally, we are really excited to open our new ICT & Computing block, a new food outlet and the extension to our canteen; excellent new facilities for our expanding school. Next year we want to promote a love for reading for pleasure and to aspire to high levels of achievement. We really want to encourage students to participate in extra-curricular activities, taking advantage of the free clubs at lunchtime and after school.

We are, as ever, extremely grateful for all the support we receive from our school community and are incredibly proud of our students and staff. We hope that you will have some time to relax and unwind with loved ones, over the summer break. See you in September!

Warm regards,

Mr D Bailey Principal

Ms E Grylls Head of School
