Dear Parent/ Carer

Independent learning and homework has a very important part to play in your child's secondary education. At Biddenham we realise the importance of keeping Parents/ carers as informed and involved as we can.

There are a range of online platforms that you have access to as a parent/carer and it is vital that you have access to the full range of resources.

Upload money to accounts for trips, visits, lunch money, and ingredients for food lessons. You should have already received these login details.

Google Classroom

Daily or weekly summaries available to track your child's homework and classwork. An email will be sent to invite you to join.

View your child's timetable, track attendance, behaviour and achievements. An letter will be sent to you with your personalised log-in details

Keep up to date with your child's progress in literacy. Login details will be sent to you in October.

All of these resources help to keep you up to date with what your child is learning and their achievements in real time throughout the school day.

Below there are three videos/guidance presentations, which show you, step by step, how to set up your accounts.

If you have not received emails to join the above online platforms, please contact Julie.giles@mybiddenham.com and we check your contact details so you can access these fantastic resources.

There will be a drop in session on 10th October from 4pm until 6pm where we can support you in setting up these services should you need support. You will receive a letter in the post with your login details shortly.

Yours sincerely
