Dear Parent/Carer

As you know, Year 7 and 8 are using Bedrock learning, a literacy platform, as a way to improve their use of grammar and vocabulary. We wanted to send another letter to share some more information with you.

We hope you found the online Bedrock parents evening useful and were able to have a clearer idea of what Bedrock is and how you can support your child.

Please find below the link to the recording to refresh, refer back to or watch if you were unable to attend.

In addition to this you may find the curriculum overview link useful as a way to support discussions with your child about the vocabulary they are learning and revising:

Should you have any further questions or would like me to resend the parent login information, please do not hesitate to contact me at caroline.burton@biddenham.beds.sch.uk

Yours sincerely
