

Biddenham

International School & Sports College

Principal: Mr David Bailey

Head of School: Ms Eleanor Grylls

November 2023

Dear Parents and Carers,

We would like to make you aware of a free online GCSE Physics masterclass on Saturday 25th November. The masterclass will be an intense workout to practise the physics concepts that students will need to understand in order to achieve the top grades in their GCSE exams. The masterclass will be delivered as an online Zoom webinar. It will cover 3 topics (Motion Graphs, Force & Acceleration and Momentum), and is most suited to students taking the Separate Science examinations. Please go to this website to find out more:

https://isaacphysics.org/events/20231125_gcse_autumn_masterclass?stage=all

Students will need a smart device (phone, tablet or laptop) to access the Masterclass. Please download the Zoom client app in advance and have a calculator, pen and paper available to use on the day. As this is a webinar Masterclass, you will not be able to use your microphone or camera. All communication will be via the Q&A function and chat facility (when enabled).

To apply for the masterclass, please follow this link: <https://isaacphysics.org/login>

The booking deadline is the 23rd November.

You will need an Isaac Physics account correctly showing your name and the name of the school.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

MRS S SQUAIR
Head of Science

Biddenham Turn, Biddenham, Bedford, MK40 4AZ
