# STUDENT ATTENDANCE POLICY

At Biddenham, we believe that coming to school every day and being on time is vital for your learning and growth. When you attend school regularly, and on time, it helps you to do better in your classes and to learn more.

- It is important to come to school on time and be there every day, unless you have a good reason to be absent.

- We want to work together with your parents/carers to make sure you are at school when you need to be. We encourage them to be involved in making sure you come to school regularly and on time as they have a legal responsibility to make sure you attend school.

- If you do not attend school, it is important to complete any work you have missed as soon as possible. All work will be posted on google classroom to help you, but it is your responsibility to catch up. If you need help you should contact your class teacher, in the first instance.

- We have a system in place to help students who struggle with attendance. The goal is to help you get back on track and attend school regularly.

- We also have rewards for students who attend school regularly and on time. We want to celebrate your good attendance and encourage you to keep it up.
