Dear Parent / Carer

We have been lucky enough to be selected by St Giles Trust, who are coming into school to deliver an assembly to Years 9 and 10 on Tuesday 16th April 2024.

They will cover issues including knife crime and personal safety. This is something that is ever present in the media at the moment and as a school we feel all young people will benefit from this assembly.

The sessions take place during the school day and there will be an opportunity to ask questions, school staff will be present to support.

If you have any further questions about the workshop then please feel free to contact either Head of Year by phone or via email addresses below.

Yours sincerely
